

Directions to Higher Stone Gappe

First of all the Post Code is BD20 8EE for those with Sat Nav or who want to look it up on Google Maps.

If coming from Barnoldswick, take the Skipton Road to Thornton and then turn left on the A56 in the direction of Skipton. Turn right at Elslack and where the four roads meet in the centre of the village, take the second right, signposted to Lothersdale. Follow this road, past the cross roads and at the next cross roads, take the right turn to Lothersdale. You will pass the Lothersdale sign and the road starts to rise gently. Higher Stone Gappe is off to your right. Park somewhere on the verge on your right.

You are welcome to park in the drive, but you may get blocked in.

If coming along Skipton Old Road from Colne, carry straight on past the Black Lane Ends pub, down the 100 mph straight and turn right at the very bottom. Follow the road which takes you into Lothersdale. Pass the pub (do not be tempted to go in for a drink) and carry straight on up the hill. As soon as you reach the brow of the hill, you are there and you can park on your left or up the drive, bearing in mind what is stated above.

If coming from Earby, go up Stoney Bank Road, turn right at the junction with Skipton Old Road and then take the first left. Then follow the instructions as above.

Any problems phone 01535 636998 or 07976 794749 for directions.
