16 runners retired.

My thanks to all the marshals on the hill and at the start and finish and congratulations to all prize winners. We had another brilliant sunny day but it was cold in the shade and at the start. The sweepers tell me they had to do a litter pick as they followed the race. The main thing they picked up was empty gel tubes and the tops off them, they even found a couple protruding from under stones, they do not rot and will not go away, please think about bringing them back with you off the course. I know they're sticky but shove them down your vest and bring them back with you, surely you wash your gear when you get home. The marshals will take litter off you as well.

The great weather lead to faster times, the winners time was the 14th fastest ever, well done Matthew. He was pushed all the way by Ian and Tim. Ian's time was the 2nd fastest time for a vet and the fastest ever for a vet45. Jasmin's, 3rd fastest ever ladies time.

Next year's race will be on the 15 November 2014 and held under the new FRA Safety Requirements. I would advise everybody to read them. 16 runners retired this year hope you are all OK, make it back next year and complete the course.

Lost property: one pair of Inov's and an ARC'TERYX hat, I'll post the hat but not the shoes, you'll have to collect them. I'll hold them for 3 months then bin them.

Hope you had a safe journey home and I wish you all the best for Christmas and the New Year. Kieran
