

Blencathra Fell Race**Wednesday 3rd June 2015**

Please note: Category Position has been kept to age category in overall listing. There are some from on older v. category who are ahead of younger runner; i.e. a v.55 does not count for a place in a v.40 placing etc. even though they have beaten v.40 runners. You can work out overall v. placings if you want to!

See final results summary for overall age placings across categories

Previous race results have not always included v45, 55 & 65. Category records for these are based on 2013 results in these categories.
