

Tour of Pendle

14 November 2015

This year the race was run over the Bad Weather Course following a route through Check points 1, 2, 3, 4, 5, 6, 11 and back to the finish. The last 2 climbs were excluded due to a forecast of heavy rain, high winds and low temperatures peaking in the area at 15:00. The estimated Bad Weather Course is 14 miles (22.4km) and 2700 feet (823m) making it a Category BL.
